Assignment

In this assignment you need to order the following domains:

- www.daanschraven.nl
- www.gieljanssenlok.nl
- www.robbinjanssen.nu

You will be registering these domain names as a new customer. All given domain names need to be registered for a period of three years. It is important in this assignment that you register them with **your** personal information. When a token (private key) is needed, use your last name.

Hint:

When a domain name is already taken, this will be displayed as 'taken'. You have to transfer it to your name and address.

Good luck.
